CONFERENCE GOALS

The North American Refugee Health Conference is recognized as *the* premier conference for those who work with refugee populations. Health workers from many disciplines discuss the best health practices to optimize the care of refugee populations. We provide a forum for sharing up-to-date, evidence-based information, and a platform for research, advocacy and mobilization.

Hope to see you in Toronto in June 2013!

Anna Banerji, MD, MPH, FRCPC, DTM & H, O.Ont

Course Director

On behalf of the Conference Committee
